

# 2014 STATEMENT OF FINANCIAL INFORMATION

#### **MANAGEMENT REPORT**

The Financial Statements contained in this Statement of Financial Information under the Financial Information Act (the "Act") have been prepared by management in accordance with Canadian public sector accounting standards, and the integrity and objectivity of these statements are management's responsibility. Management is also responsible for all the statements and schedules, and for ensuring that this information is consistent, where appropriate with the information contained in the financial statements.

Management is also responsible for implementation and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

The Regional Board of Directors is responsible for ensuring that management fulfils its responsibilities for financial reporting and internal controls and exercises this responsibility through the Regional Services Committee of the Board.

The external auditors, BDO Canada LLP, conduct an independent examination, in accordance with Canadian generally accepted auditing standards, and express their opinion on the financial statements. Their examination does not relate to the other schedules and statements required by the Act. Their examination includes a review and evaluation of the Regional District's system of internal control and appropriate tests and procedures to provide reasonable assurance that the financial statements are presented fairly. The external auditors have full and free access to the Regional Services Committee of the Board.

On Behalf of Cowichan Valley Regional District

The schedule of payments is a "cash basis" listing and therefore the total will differ significantly from the expenditures in the consolidated financial statements which are reported for the most part on an accrual basis resulting in timing differences. Furthermore, there are disbursements on this report which are not considered expenditures for financial statement purposes including payments made to other taxing authorities, employee payroll deductions and debt principal repayments.
